

EASY SWITCH OVER FROM MIMAKI LUS 120 INK

Product description

- Superior ink with easy switch over from Mimaki LUS-120 inks - just plug & play
- Wider colour gamut, higher density and less yellowing compared to LUS-120
- Complete compatibility to original colour profile
- Superior printing stability, with bright and vibrant colour and excellent media adhesion
- Perfect for both outdoor and indoor applications due to their light fastness and superior UV resistance
- Improved white ink colour
